

Program coming soon!

The Conference Coordination team are currently excited to be working with a large group of inspiring people from national, regional and global levels who are helping us develop the 21 sessions aligned to the Action Tracks of the Conference. This group will take on roles including designing the session format, being session hosts, identifying speakers and other behind the scene roles.

Details of the Conference program and agenda will be coming soon and available on the website in approximately two weeks time.

10th Pacific Islands Conference

NATURE CONSERVATION AND PROTECTED AREAS

Nature conservation action for a resilient Pacific

Virtual Event **24-27 NOVEMBER 2020**

Registration is FREE and gives you access to full conference content, sessions, speakers, networking and more!

10^e conférence du Pacifique insulaire

JOURNÉE « CONSERVATION EN ACTION »

Centre culturel Tjibaou,
dans le cadre du Salon international du livre océanien (SILO) 2020

DIMANCHE 11 OCTOBRE, DE 9 H À 17 H

Agir pour la nature et la résilience du Pacifique

New Caledonia Local Conservation in Action Day

This event will take place on Sunday, October 11 at the Tjibaou Cultural Center, as part of a partnership with the Oceanian International Book Fair.

It happens the month before the 10th Pacific Islands Conference for Nature Conservation happening in November in a virtual format, and compliments this virtual event by bringing a local face-to-face element.

This day will be dedicated to the promotion of Caledonian projects promoting nature conservation. Conference, round table, projection, photographic exhibitions, stories, tree planting, creative expression and a whole program awaits local participants from 9 am to 5 pm. For more information including the full programme visit <https://gouv.nc/journee-conservation-en-action> or follow on the New Caledonia Conference Facebook @conferencenature

Want to showcase your organisation, project, or initiative?

We have some booths still available in the Virtual Exhibition area. Exhibition booths offer visibility, a place to showcase publications, videos and presentations; and a place for participants to connect with you, and to even have meetings in the Networking Lounge, just like a face-to-face booth.

Under the Exhibition Booth Package you receive many exciting visibility, engagement, showcasing and networking opportunities including:

- Exhibition Booth with exhibitor passes;
- Logo visibility on the event website and in event marketing material, and the Event Bag;
- Networking through instant messaging with participants, unlimited Networking lounge access including unlimited scheduled video meetings.

To request more information or to secure your booth, please contact pacificconference2020@sprep.org

Sponsors

The 10th Pacific Islands Nature Conference would not be possible without the support of many regional and global partners. We will feature and acknowledge our many supports over the coming weeks leading up to the Conference. This week we feature Fonds Pacifique.

Fonds Pacifique

Fonds Pacifique, or the Pacific Fund in English, has been a major supporter of the 10th Pacific Islands Nature Conference since early 2019 to both New Caledonia Government as Conference Host and SPREP as the lead organising agency.

The Pacific Fund, managed by the Permanent Secretariat for the Pacific and included in the budget of the Ministry for Europe and Foreign Affairs (MEAE), aims to promote economic, social, scientific and cultural cooperation in the Pacific.

It contributes to the regional integration of New Caledonia, Polynesia and the Wallis and Futuna Islands.

The Fund is dedicated to regional cooperation actions with Pacific Island countries and organizations. It should not be a bilateral project. It supports other cooperation programs, regional cooperation actions carried out by French territories in the Pacific, and even actions carried out by regional organizations in the Pacific.

Best regards,
